SERVING ALL OF OHIO

## Now more than ever.....

The BX Alliance Health Plan can offer you and your employees some security in a very tough time. **Now more than ever**, with firms facing annual double digit health insurance rate increases, the BX Alliance continues its track record of providing better coverage for less.

The buying power of the BX Alliance plan, underwritten by Medical Mutual of Ohio, not only offers discounts on rates but also more protection from high renewal rate increases. We offer a broad range of plans that include the Medical Mutual network of doctors and hospitals as well as optional vision and dental coverage as well.

**Now more than ever you need an experienced broker with the knowledge and resources to provide you with the best products and the highest level of service.**

Our exclusive broker, Builders Exchange Benefits, can provide you with:

- Discounted group medical, dental and optical coverage
- Discounted group life and disability plans
- Profit Sharing and 401(K) Plans designed for small businesses
- Local Service
- A staff with nearly a century of combined employee benefits experience
